## Refelction

Beloved Friends, Brothers and Sisters in Christ,

Each year, we are reminded that Lent is a sacred season of fasting, prayer, and almsgiving when, in our different ways, we draw closer to Jesus Christ as we seek to transform our lives. During the Lenten Season, especially in this Jubilee Year of Hope we are once again encouraged to make the time to attend the stations of the cross in our schools and local parishes. The Stations speak to us in our everyday lives, especially during this Jubilee Year when we turn our attention to a God who walks with us through the challenges of life.

I am pleased to see that many schools across the Archdiocese have launched their various Jubilee Pilgrimage plans in inspiring ways, especially in establishing a culture of welcome. Many positive reports from children, parents, and families tell me how much your Jubilee school initiatives are rekindling their faith. I am sure, you are all receiving your various Jubilee stamps when you visit the designated Jubilee Churches. I would like to thank you, commend you, and encourage you to keep up the good work.

Canon Victor Darlington  
Episcopal Vicar for the Southeast Area,  
Commissions for Promoting Racial and Cultural Inclusion,  
Education and Director of Caritas, Archdiocese of Southwark

## Festival of Hope

Schools are invited to attend 'A Festival of Hope' at Aylesford Priory on 25th June 2025 from 9am until 3pm.

This event is targeted at children in Year 4 or Year 5 and the children will have the opportunity to participate in a range of activities, including singing, liturgical dance, arts and crafts and football, as well as have time for prayer and reflection. There are no food facilities so the children will need to bring a packed lunch.

This will be a fantastic opportunity to gather together to celebrate the Jubilee of Hope together and we are really looking forward to seeing lots of schools there.

All headteachers are encouraged to attend and pupils are also welcome. Heads are invited to bring a future leader with them be it a member of the teaching, support or administrative staff who you wish to encourage into leadership in their area of school responsibility.

## Survey on SEND Needs in Schools

The CES has created a survey for headteachers and deputy headteachers to complete regarding SEND needs in schools. The purpose of this survey is to gather valuable insights to inform our ongoing work with the Government on SEND. <https://www.surveymonkey.com/r/CES-SEND-survey-2025>

In order that we influence change at the highest level, please complete this CES survey, the deadline for response is 31st March 2025. The more information we can provide towards the national picture the more likely change can begin.

## National Youth Strategy - Govt survey open until 16th April

The Government is seeking the views of 10-21 year olds, and those up to age 25 with SEND, to shape its [National Youth Strategy](#).

A [survey](#) as part of its national listening exercise is open until **16th April 2025**. Young people are encouraged to share their views on support services, facilities, and opportunities they need "outside the school gates", and it is itself a good opportunity for pupils themselves to engage with Government services.

## VASCA funding

Schools with an academy order at the start of September 2024 that we expected to convert into a CIF eligible trust by 1st April 2025 have also been invited to apply.

CIF eligible schools have been invited to bid into the fund for 2025 to 2026. If a school has been invited to bid for CIF in the 2025 to 2026 financial year, their responsible body will not receive any SCA funding on their behalf. Schools invited to CIF should therefore submit a bid if they have condition investment requirements.

To receive direct SCA, multi-academy trusts and VA bodies must have met both eligibility criteria:

- the trust or VA body must have had 5 or more open schools at the start of September 2024

We notify academy trusts and VA school bodies that are eligible for SCA each autumn. Eligibility should not be assumed unless it has been confirmed. <https://www.gov.uk/guidance/school-capital-funding#who-the-funding-is-for>

The book is available from Pauline Bookshops and online at [www.paulineuk.org](http://www.paulineuk.org).
